Dimes Drive Extended to February 15

Faced with a shocking upswing in infantile paralysis cases in California during the first month in 1949, Governor Earl Warren, state March of Dimes chairman, has extended the annual polio appeal to Feb. 15.

The drive, which began on Jan. 14, was originally scheduled to end January 31.

Governor Warren said that he had been informed that there were 166 cases in California during the first 22 days of 1949, as compared to 13 in January, 1948.

Joe Villa, Albany chairman of the polio appeal has hailed the drive extension, declaring "it will give us time to put the March of Dimes 'over the top' so that we will be prepared to meet any emergency—and from the way things are starting out in 1949, it looks as though we may have to fight an even greater polio epidemic this year than last."

Villa urged all those who have not already made their donations to do so at once, either mailing them to campaign headquarters in the Hotel Leamington, Oakland, or delivering them in person.

Police-Fire Club Given Proceeds From Model Home

Mrs. Sigrid Oakley, policewoman, and wives of members of the Police and Fire Civil Service Club were hostesses during the week of Jan. 29 through Feb. 4 at the showing of the "Minnie Lou" model home, 851 Solano Ave. All proceeds from the 50 cent admission charge during the week were donated to the club's widows and orphans fund, according to Acting Inspector Arthur K. Smith, president of the club.

Those serving as hostesses included Mesdames Gerald Browne, Robert Baker, Paul Hogue, Les Varni, Jerry Neuhauser, Kenneth Nickerson and Mrs. Oakley. The home will be open daily from 9 a. m. to 9 p. m. until March 22. All proceeds from the admission charge will be donated to local organizations to further their charitable activities.

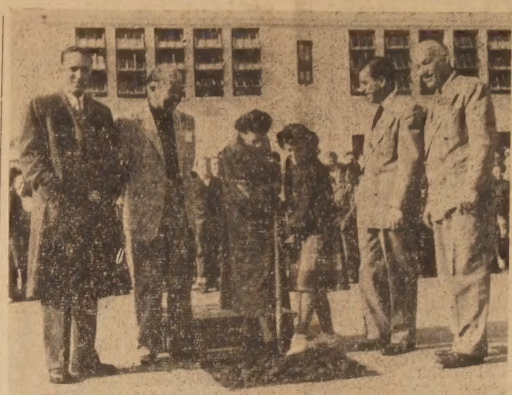

Smith was chosen to head the Civil Service Club at a recent election of officers. Others elected include Paul Hogue, vice-president; Richard McSheehy, secretary and Clinton Pursell, treasurer.

Fire Department Asks Listing of Homes With Invalid Members

Fire Chief Fred Pimental has asked that any resident having an invalid person in their home register their address with the Fire Department.

"This is a voluntary procedure to effect quicker rescue of invalid persons in case of fire," Pimental said. "A duplicate of the list is carried on all Albany Fire Trucks. This practice was initiated over a year ago and as far as I know Albany is the only city in this area for which such a record is kept."

Pimental also asked that his department be notified of any change of address or when invalids have been cured or have passed on.

Mrs. Delsa Walton, president of the Board of Education, helps Gloria Benjamin, president of the Cornell School student body, turn the first shovel of dirt at ground-breaking ceremonies for the construction of the new Cornell unit on January 26. Cornell Principal Milton Gordon stands to the right of Gloria. Also taking part in the ceremonies were three prominent graduates of Cornell (left to right) City Attorney George Glavinovich, Joe Villa and Henry Villa, local businessmen.

Joint Funeral Service for 2 Crash Victims

Double funeral services were held yesterday for Kenneth F. Tressmer, 20, and Gordon Stanley Terry, 20, killed Monday night in an automobile crash in Berkeley which also took the lives of two Richmond sisters. Services for the girls, Peggy Ann and La Von Gulbranson, were held today in Richmond.

Officiating for Kenneth Tressmer at the service from the Ellis-Olson Mortuary was Rev. O. R. Janke of the El Cerrito Grace Lutheran Church. Rev. V. Silke of Oakland's First Baptist Church officiated for Gordon Terry, a member of that church.

Young Tressmer is survived by his parents, Mr. and Mrs. Alfred Tressmer, 917 Madison St.; a sister and brother, Mrs. Bernice Bruce of El Cerrito and Delos Tressmer. Terry is survived by his parents, Mr. and Mrs. Ernest Terry, 1259 Portland Ave.; a sister and niece, Barbara E. Yerkes and Terry Ann Yerkes of Rollingwood.

Both young men graduated with the class of 1946 at Albany High School. Tressmer was born in Albany and was temporarily employed by a Berkeley cleaning establishment pending entrance to Oregon State College this fall to study forestry.

Terry, a veteran of 16 months service in Japan with the 11th Airborne Infantry, had been a resident of Albany for eight years. While at Albany High he was an outstanding athlete. He was majoring in forestry at San Francisco City College and was planning to transfer to the University of California at Davis next fall.

MUZIO'S HAVE DAUGHTER

A girl was born to Mr. and Mrs. Mingo Muzio of 527 Madison St. on January 28, at Herrick Memorial Hospital, Berkeley. The young lady, named Karen Joanne, weighed six pounds four ounces at birth.

for which such a record is kept."

Pimental also asked that his department be notified of any change of address or when invalids have been cured or have passed on.

Leaders Named For Red Cross Fund Campaign

Final plans to launch the annual Red Cross fund raising campaign, scheduled for March 1 to March 15, are well underway with key leaders recently appointed, according to an announcement by Harold W. Olson, vice-chairman of the Albany-Berkeley-Kensington area.

Mrs. Delsa Walton, 1427 Thousand Oaks Blvd., has been named residential chairman. In addition to her duties as president of the Albany Board of Education, Mrs. Walton has always been an ardent worker on any project for civic betterment.

"Until a person begins to work with the Red Cross, it is difficult to realize the many services Red Cross renders our veterans and their families and the hundreds of lives the organization saves through their educational program," Mrs. Walton said. "The wonderful work done in our neighboring state of Oregon during the floods last year is just another of the many examples of unlimited good being done every day by this vital group. We are indeed fortunate to have Red Cross always standing by to help in emergencies and it is of utmost importance that all citizens extend a helping hand to meet the financial needs of Red Cross."

Mrs. Ross B. Price, 1027 Key Route Blvd., will work with Mrs. Walton as co-chairman for the residential area. Other chairmen are Eugene Baker for Albany schools, Mrs. Myrtle McLean, city employees, and Mrs. Clare McGaw, organizations.

"If the response of Albany residents is as sincere and enthusiastic this year as in years past," Olson said, "I am confident our quota will be met."

The members of the graduating class of the Marin School were entertained with a party in the Marin School cafeteria after the promotional exercises Tuesday Feb. 1, by the Marin Parent-Teacher Association and mothers of the graduates.

Mrs. Reynolds M. Foss, room mother, was in charge of arrangements.

Mechanics Bank Open House Will Offer Varied Program

Citizens Protest Proposed Change In 'G' Bus Line

Plans of the Key System to ask for a hearing before the Public Utilities Commission on proposed changes in the "G" bus line to San Francisco were rebuffed by City Attorney George Glavinovich at the regular Monday evening City Council meeting.

The changes would eliminate shuttle service after 7 p. m. daily and on Sunday between Albany and San Pablo Ave., and 40th St. Glavinovich explained this change would mean Albany residents would have to walk either to San Pablo Ave., and take a "72" bus to 40th St., or walk to Solano Ave., and the Alameda and board the "F" train in order to reach San Francisco.

The company also proposes to increase the headway between 11 a. m. and 2 p. m. from 30 to 40 minutes on the "G" line with no service on Sunday.

Angry protests came immediately from commuters in the lobby. Mayor Frank Hays said the Council would take action to protest the proposals for service curtailment. Glavinovich explained that the Key System hopes to make the changes effective February 27.

Part of the proposed changes would be favorable to Albany by the establishment of express service between here and San Francisco. After reaching University and San Pablo Avenues the express would turn west on University and continue without stop to San Francisco. This service during the morning and evening peak hours would save commuters an estimated 10 to 15 minutes.

Other business before the Council included amendment of the city's parking ordinances to provide one hour parking between 8 a. m. and 6 p. m. where hours were formerly 10 a. m. to 6 p. m. Two hour parking was also changed to the hours of 8 a. m. to 6 p. m.

MacGregor PTA Plans Whist Party Feb. 25

MacGregor Parent-Teacher Association will have a whist party at 8 p. m. Friday evening, Feb. 25 in the Marin School Auditorium.

The ways and means committee, headed by George Wirthman, has announced that a \$25 savings bond will be awarded. The lucky ticket holder does not have to be present in order to win the bond. A host of other valuable prizes will also be given.

The price of score cards is to be 50 cents and may be purchased at the door on the evening of the party, or from any MacGregor P. T. A. member.

"Save the evening of the 25th for a night of fun," Wirthman said. "This is your opportunity to support your new C. M. MacGregor elementary school."

Designs for Service, Convenience Highlight Modern New Building

The new Albany offices of the Mechanics Bank, on Solano Avenue just east of San Pablo Avenue will be shown to the public at an open house on Friday, Feb. 4 from 5 until 9 p. m., according to E. M. Downer Jr., president.

Visitors will be taken on tours of the modernistic new building and will see demonstrations of the equipment which makes these offices the latest word in speedy, efficient banking service. There will also be a display of "Freedom Train Documents."

The Albany High School capella choir will furnish music for the evening and at 9 p. m. there will be awards of a \$25 U. S. Savings Bond and four \$4.72 memberships in the H-O-M Club.

The opening of the new Albany office follows closely the remodeling of the El Cerrito branch and culminates for the Mechanics Bank an expansion program designed to better serve the interests and needs of the north East Bay.

In the 13 years since the establishment of the bank in Albany, the personnel has increased to a present total of 10 employees, the number now necessary to serve the banking needs of the community. Duke M. Sallee, assistant cashier, will manage the new office.

The new quarters have been designed for comfort and convenience of service by Young and Lloyd, Albany architects. Features of particular interest are the tellers' windows of entirely new design, facing at an angle to the lobby; mezzanine space for the bookkeeping department; new forced air method of heating; indirect lighting and sound proofed walls.

Additional floor space and functional design of the new offices will help to avoid congestion during busy hours, while other improvements include a night depository and a larger safe deposit vault.

After five years as president of the Albany YMCA Board of directors, Fred Granholt has stepped down to a position on the board. Harold Denham now reigns as prexy.

Mr. and Mrs. George Hollfelder—the newly elected president of the Chamber of Commerce—took themselves a little weekend jaunt down Los Angeles way, just for laughs. "Martha" and George—Come on—tell us Northern California folks—"Isn't that Southern California climate just like this Northern Cal weather?—good enough to visit—but we prefer Albany... climate or no climate?"

High School P. T. A.

A membership drive is now in full swing in the High School Parent-Teacher Association, according to Mrs. Wayne Rogers, membership chairman. Dues at this time are 50 cents for the rest of the term.

Parents of new students entering the school or anyone interested in furthering child welfare interests are invited to join. Meetings are held on the second Thursday of each month.

MACCABEE DINNER

The Albany Maccabees will have another of their popular comed-beef and cabbage dinners on Thursday night, February 10, at Maccabee Hall, 985 Kains Ave. Commander Theo Kerts and Vernon Godfrey will be chefs for the evening.

Scout Troop 45 Court of Honor Tuesday Night

Scout Troop 45 will observe Scout Week with its second court of honor for the term on Tuesday Feb. 8 at 7:30 p. m. at the Albany Community Church. Refreshments will be served by the Mothers' Club with Mrs. Bernice Rogers in charge.

Chet Wildman, chairman of the committee, in announcing the court of honor stated that the troop can be very proud of its achievements in the past few months, particularly in view of the large number of boys who have advanced from tenderfoot to second class scouts in less than two months.

The following boys will be up for advancement at the Court of Honor: Star Scout, Donald Young; Second Class Scout, Donald Haven, Robert Kraft, Merle Pizzigranni, James Loebke, Harvey Lowthian, Philip Lowthian, Don McFadden, Howard Wright, Alan Prestigard, Gerry Grisham, Douglas Maahs, Tom Condon; Tenderfoot Scout, Leslie Taylor, Robert Shedd, William Grundman.

The full staff of leaders now includes Scout Master Dwight Haven, Assistant Scout Master John Thaxton, Assistant Scout Master Gunner Carlson and Junior Scout Master Robert Robert. Giving full support to the troop are the following elected committeemen: Wildman, chairman; Jas. Lowthian, secretary; Harvey Lowthian, treasurer; Charles Kraft, cashier; Stanfield Taylor, advancement; Roland Grisham, health and safety; and Publicity.

SON BORN

Mr. and Mrs. George W. Russell are the proud parents of a boy, Glenn Jeffery, born January 31, at Herrick Memorial Hospital, Berkeley. The young man weighed in at seven pounds nine ounces.

These mid-term graduates received their diplomas at Albany High School Tuesday

Homemaking Today
By Barbara Foote

Yeast rolls, piping hot from the oven, add appetite appeal to ordinary winter meals at economical cost. The aroma of freshly baked yeast breads is certain to bring your family trooping into the kitchen asking "when do we eat?"

These days you can take a shortcut by using one of the prepared mixes on the market. However, if you prefer to make your own from the start, you'll be surprised how little time it takes, especially with a dough that can be stored in your refrigerator.

Here is a recipe for a basic sweet dough which will keep satisfactorily for 4 or 5 days. All you need to do for freshly-baked rolls each day is to remove a portion, mold it and allow it to stand at room temperature for an hour, or until the rolls are light, then bake.

With this foundation yeast dough, you can make dinner rolls, coffee cakes, sweet rolls, doughnuts or fancy breads just by varying the shape or the "trimming."

BASIC SWEET YEAST DOUGH
2 cakes yeast
¾ cup lukewarm water
1 cup milk
¼ cup butter or margarine
½ cup sugar
1 teaspoon salt
2 eggs, beaten
1 teaspoon grated lemon rind (if desired)
5 cups sifted all-purpose flour (about)

Soften yeast in lukewarm water. Scald milk and add butter or margarine, sugar and salt. Cool to lukewarm. Add enough flour to make a thick batter, then add yeast, eggs and lemon rind. Beat well. Add enough more flour to make a soft dough. Turn out on lightly floured board and kneed until satiny, using remaining flour. Place in greased bowl, cover and let rise until doubled in bulk. When light, punch down and store in refrigerator. (The surface of the dough should be greased and well-covered so that it will remain moist and elastic.) If you are going to bake at once, shape into tea rings, rolls or coffee cakes and let rise a second time until doubled in bulk. Bake in oven preheated to 375° F., 25 to 30 minutes for coffee cakes, 20 to 25 minutes for rolls. Makes 2 twelve-inch tea rings or about 3½ dozen rolls.

Be certain that liquids are lukewarm (80 to 85° F.). Test for the correct temperature by dropping a few drops on your wrist—it should not feel warm. Scald the milk. This destroys any enzymes that might otherwise cause softening of the dough. Knead until the dough is smooth and satiny. This takes about 7 or 8 minutes. To test for enough kneading, place your hand lightly on the dough; count 30 and if the dough doesn't stick to your hand, it has been kneaded enough.

Pimental Warns On Disposal of Fluorescents

On the basis of information recently received in a bulletin issued by the American Association of Industrial Physicians and Surgeons, Albany Fire Chief Fred Pimental today warned all residents to be extremely careful in the disposal of fluorescent light tubes.

"Experience is showing that Beryllium powder contained in fluorescent tubes is much more toxic than was first thought and its effects are appearing in many ways," Pimental said. "Most of our present day fluorescent tubes contain from 1 to 4 per cent beryllium. If this powder comes in contact with any open injury in the skin it enters the tissues and starts a tumor-like growth and degeneration. Pieces of this glass entering tissues have been known to cause long-standing, draining tumor masses which necessitate the removal of large areas of bone, muscle and skin.

Children should never be allowed to play with discarded fluorescent

The February meeting of Alpha Chapter, St. Alban's Episcopal Church will take the form of a membership party on Feb. 7 at 7:45 p. m. at the home of Mrs. Paul Bryan, 609 Spokane Ave.

The evening will be a social affair where old, new and prospective members may chat and get acquainted with each other and with the program for the year. All members and their friends are cordially invited.

Officers for the coming year are Mrs. L. H. Burman, president; Mrs. Earl Cleave, vice-president and program chairman; Mrs. C. S. Huey, treasurer and Mrs. Wm. Reasoner, secretary.

tubes and adults should take extreme care in disposal of these tubes.

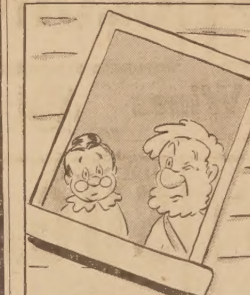

Pimental recommends that anyone receiving a cut from fluorescent glass immediately receive medical attention.

MECHANICS BANK
 You Are Invited
 Friday, February 4th
 5:00 to 9:00 P. M.
Opening Modern New Offices for the Albany Branch of the Mechanics Bank

Keeping pace with a growing community, The Mechanics Bank proudly announces the opening of new offices for its Albany Branch. We cordially invite you to visit our newly-constructed building and inspect our completely modern banking facilities.

Open House will be held Friday evening, February 4, from 5:00 to 9:00. Our new location is on Solano near San Pablo avenue—just across from our old quarters.

For the convenience and comfort of our depositors, we now have over 3800 square feet of floor space, modernly equipped in every respect. Our bookkeeping department is located on the mezza-

nine floor, which takes noisy machine operations away from the lobby and also provides a larger banking room for the public. Eight new teller's windows are designed to handle your business more efficiently, more quickly, and with less congestion. Also, larger space has been made available for customer's consultations with officers.

In addition to these improvements, we have added a night depository for merchants—a larger safe deposit vault—and a private consultation room for meetings with firms and individuals.

We hope you will come in to see our new offices during Open House. If you can't make it then, drop in anytime you're in the neighborhood.
